Base Monthly Charges for Weekly Curbside Trash and Recycling Services to Increase

Ridgway, CO – On October 11, 2023, the Ridgway Town Council approved a two-year extension to the professional services agreement between the Town of Ridgway and Bruin Waste Management (Bruin). Bruin will continue to provide regular refuse and recycling collection for residences within the Town.

With the approval came a 5% increase to the base monthly charges for weekly curbside trash and recycling services. Bruin has seen a substantial jump in landfill fees since the initial agreement was put in place in 2018, which was the motivation for the Town Council to evaluate an increase to the base monthly charges. The new base rates are as follows:

- Waste: Multiple Residential Units utilizing a common 1 cubic yard animal-resistant dumpster—\$37.20
- Waste: Multiple Residential Units utilizing a common 2 cubic yard animal-resistant dumpster—\$64.00
- Waste: Multiple residential Units utilizing a common 3 cubic yard animal-resistant dumpster—\$95.13
- Waste: Each Single-Family Residential Unit – animal-resistant poly cart(s) up to 64 gallons—\$16.96
- Recycling: Each Single-Family Residential Unit – 18-gallon recycle bin, weekly service—\$10.10

Residents will see these new rates apply when they receive their water bill for the month of October. For more information, please contact Preston Neill, Town Manager, at pneill@town.ridgway.co.us or 970-626-5308, ext. 212.
