Construction on the Lena Street Utility Replacement Project to begin next week

Ridgway, CO – Starting on Monday, July 20th, Ridgway Valley Enterprises, on behalf of the Town of Ridgway, will begin construction on the Lena Street Utility Replacement Project. The project will replace approximately 700 feet of water main and 700 feet of sewer main under North Lena Street between Charles Street and Otto Street. The lines are being replaced to meet current standards.

Work will be performed Monday through Friday between the hours of 7:00 a.m. and 7:00 p.m. Traffic restrictions will evolve with the project but thoroughfare will be limited and periodic closures are to be expected. Please use Railroad Street as an alternate route and allow for additional travel time. The project will take approximately eight weeks to complete. Temporary water and sewer service will be provided for impacted properties.

Please contact Chase Jones, Public Works Services Administrator, at cjones@town.ridgway.co.us or 970-626-5308 ext. 221 with questions regarding this work.
