Green Street Sustainability Park Concept Options Available for Comment

Ridgway, CO – Three concept options for the Green Street Sustainability Park were presented in a public meeting held on June 11th and are now available for public viewing and comment through June 28th. They are available at <https://readymag.website/u4242466480/4705864/>. Just click on the “New Survey!” button to check out the concepts, fill out the survey, and provide your feedback.

Superbloom was selected by the Town, after a competitive solicitation process, to provide a plan, process, and approach for the public engagement and master planning for Green Street Sustainability Park. So far, two public meetings have been held as part of this initiative. Following the current survey/comment period, Superbloom will develop a priority list of elements and facilities, as well as a final preferred layout, based on all input received in order to meet the collective desires of the community.
