Regional Housing Needs Assessment to be presented on November 20th

Ridgway, CO – The Town of Ridgway and Ouray County will host a Housing Needs Assessment Public Presentation at the Decker Community Room, located at 675 Clinton St., on November 20th from 6:00 to 8:00p.

The purpose of the meeting is for members of the public and various stakeholder groups to learn about the outcomes from the Regional Housing Needs Assessment (HNA) that was conducted by Points Consulting. The Town and County contracted with Points Consulting in May 2025 to produce an HNA to meet the State of Colorado's new planning regulations. The goals for the HNA are to analyze existing and future housing needs in the Town and County by analyzing gaps in the local housing market from an affordability and attainment standpoint. The HNA intends to demonstrate the region's commitment to addressing housing needs in the community and provides crucial information to do so.
