Repair work on N. Laura Street to take place next week

Ridgway, CO – On Monday, October 2nd, the Ridgway Public Works Department will begin repair work on a segment of N. Laura Street located between Sherman Street and Clinton Street.

This block will be closed to thru traffic and the project is expected to take two days to complete. Motorists are asked to exercise extreme caution when driving in the area and to use the designated detour routes.

For questions regarding this work, please call 970-626-5308. The Town of Ridgway greatly appreciates everyone's patience and cooperation as we complete this work.
