

For Immediate Release | May 21, 2025

Street cleaning and striping operations to take place next week

Ridgway, CO – The Town of Ridgway would like to inform residents and visitors that all parking stalls throughout the downtown area of Ridgway will be painted between Wednesday, May 28th and Friday, May 30th. In preparation for this painting, the Ridgway Public Works Department will clean the streets scheduled for painting in the early morning hours of the day that those streets are scheduled to be painted.

Please ensure your vehicle is moved off of the street scheduled for cleaning and painting by midnight of the day it is scheduled to be cleaned and painted. The striping uses spray paint with considerable overspray possible. Vehicles left in prohibited “No Parking” areas may be damaged, ticketed, and/or towed.

The full ***Street Striping Schedule*** can be viewed [HERE](#).

For more information, please contact the Town of Ridgway at 970-626-5308 or pneill@town.ridgway.co.us. The Town of Ridgway greatly appreciates everyone’s patience and cooperation!
